

SPEECH and DRAMA

Adjudicator: Anita Downey Ph.D., LGSM, LLAM, B.Ed.

Having trained as a teacher and then worked in both Primary and Secondary schools, **Anita Downey** combined academic teaching with love of the arts and happily taught both. Pioneering the integration scheme for Surrey and also working for four years with profoundly deaf youngsters, she set up a special Creative Arts Programme for them. Continuing her training at the Guildhall School of Speech & Drama and the Central School, taking the Advanced Diploma in Voice Studies; Anita then set up and developed a very successful drama group, which ran for fifteen years.

Winning the International Professor Van Lawrence Award, for her research into voice sounds, led Anita to research further into the cultural rhythms of the World through literature.

Due to her strong belief in a sound education, she continues to teach Maths and English at home alongside Speech & Drama. Her own relaxation is studying Japanese, which she really enjoys. Anita adjudicates and examines all over the World, and she is a busy lecturer and enjoys the challenges of a varied life.

Head of Section: Gwenda Dearsley
